

BAFT India Trade Finance Workshop

**August 2017
Mumbai, India**

Who We Are

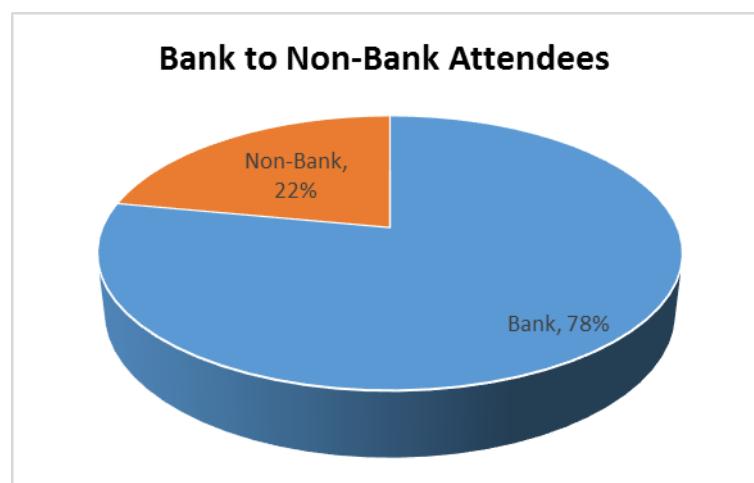

BAFT is the leading trade association for banks involved in international transaction banking, including trade finance, payments, compliance and innovation. The India Workshop will focus on the latest issues and topics specific to the region. We expect to gather more than 50 attendees from over 20 banks and organizations from India and the region.

Education and Networking

The India Trade Finance Workshop will be led by trade-operations experts and purposely designed to be smaller in size to encourage an interactive and engaging workshop. The program will include trade topics of most interest to India and will be mixed in with interactive case studies and will include the popular mock court.
